NOTICE TO PARENTS/ GUARDIANS AND STUDENTS OF CLASSES IX TO XII

Dear All,

I would like to instruct all students to take up their internal assessments (tests and exams), project and assignments very sincerely and seriously. For those subjects in which ICSE and ISC Examination could not be conducted in the year 2020, the school was instructed by the Council to submit the School examination(internal exam)marks. Similarly, this year too after the ICSE and ISC Examination was cancelled, the Council has again asked for the internal (school) exam marks- marks of class 9 and 10 exam for ICSE and marks of class 11 and 12 for ISC.

Please note that the Chief Executive & Secretary of the Council has informed the schools that henceforth, even if physical examinations are conducted in the future, the Council will still require the Internal Assessments marks. As such, it is very important that students are regular with their work and submit their projects and assignments properly and on time. The tests and exams conducted will be of paramount importance for securing better percentage in the Board examination since the Council will be asking for all these internal exam marks.

Parents /guardians are requested to make their ward understand this and get them to study regularly and submit their projects and assignments on time.

The Council has also instructed the Schools to ensure that the students meet the attendance criteria of minimum 75%, even in the online classes. Absence from the classes must be supported by relevant documents.

Thanking you,

(P. Pradhan)
Headmaster
