Dear Parents,

Greetings from Dr. Graham's Homes!

We refer to and reiterate our appeal of the 19th of October 2020.

We are grateful that a considerable number of our parents have responded positively by making prompt payment of the arrears of fees which has enabled us to maintain our classes in a pandemic year with online education. However, we still note that the arrears with respect to some children is still outstanding.

We request you once again that, in order to enable the school to continue functioning, all parents are kindly requested to clear all dues by 30th November, 2020 without fail.

May God bless you all.

Yours truly,

(N. Monteiro)

Principal
