

16th September 2022.

Dear Teachers,

This is to confirm receipt of your letter.

Please note that all queries will be suitably answered.

On behalf of the Board of Management, I would like to request you once again to continue with providing quality education to the students under your care and guidance and to be a part of the discussions revolving around salary.

Furthermore, with the Birthday Celebrations commencing shortly, it is our request that you remain committed to ensuring that they are as successful as ever.

We certainly would not like any more negative publicity than has already been generated. This will have far reaching consequences and will also impact existing number of students and could reduce our new intake for the next academic year, which in turn, will cause a reduction in the finances of the Homes and will be disastrous for the institution.

With all good wishes for a successful Birthday Celebrations of our Beloved Dr. Graham's Homes, in honour of our Late illustrious Founder, whose love for children knew no bounds.

Yours sincerely,

Michael Shane Calvert

President,

Board of Management,

Dr. Graham's Homes,
