Declaration by the Parent

*(To be signed by the parents of newly admitted Boarders,
fully understanding the implication of the Statement made by him/her)*

1. I am aware that I have applied for my son/daughter/ward's admission to boarding section vacancy for the year 20..... and he/she has been admitted to the school as such.
2. It has been explained to me by the authorities clearly that in this institution, the number of seats are divided for boarders, day scholars vacancies distinctly and these are filled in accordingly.
3. In future, should I decide to withdraw my ward from the boarding, it will consequently imply that I have to withdraw my child/ward from the school, as the pupil concerned has been in the boarding section **only** and thus creating a vacancy for the pupil who would come as a boarder.
4. I also assure that at any stage, I will not request the authorities to make a special concession to my child assigning reasons for making him/her a day scholar on medical grounds or humanitarian grounds.

I solemnly declare that the statement made by me from point 1 to 4 given above is true to my knowledge and have put my signature on this document clearly knowing the contents.

I further promise that I shall abide by all the conditions I have accepted at the time of admission of my ward/s
