Dear Parents and Guardians,

Right at the outset, I would like to take this opportunity to thank you immensely for your support in making the 125th Quasquicentennial Year a huge success and marking this year as the greatest milestone in the history of Dr. Graham's Homes. With your continued support, we emerge as one of the very few distinguished educational institutions.

While we extend an enormous thank you to all our generous donors who made our Q125 Celebrations both possible and successful, we extend our sincerest thanks to Parents and Guardians for their enduring faith and commitment to The Homes. We also deeply appreciate our Overseas Committees, Members of the Board of Management, Teachers, Staff and Employees whose tireless and relentless work was instrumental in planning and executing this grand series of events. Your dedication truly made this anniversary year a spectacular achievement.

Our children continued to give off their best in every field and have excelled throughout the year, not just academically but in all extracurricular activities as well, bringing back laurels with every event having been completed.

As we approach the winter holidays and prepare for the commencement of the next academic year, let us take this moment to recharge, refocus and set new aspirations. We look forward to building upon the tremendous momentum generated by our Quasquicentennial, ensuring that the future of Dr. Graham's Homes shines even brighter.

Considering the prevailing circumstances and taking into account all aspects of running the Establishment, the Management has felt the need to incorporate a slight raise in fees (5%) w.e.f. the next academic session. We look forward to your cooperation, as always, in this regard.

On behalf of the Board of Management, the immediate Administration, all Staff and Workers, I would like to wish you all a Happy Holiday Season and a Prosperous New Year ahead.

Thanking you.

Sincerely,

Neil Monteiro,
Principal.
